

Certificate Course in Nail Art Training

Offered by: Centre for Innovative Skill-Based Courses (CISBC)
Open Learning Development Centre (OLDC), University of Delhi

Duration: 1 Month

Mode: Offline (Practical Training)

Course Fee: Rs. 3,000/-

Eligibility: 10th Pass or Above

ABOUT THE COURSE

The **Certificate Course in Nail Art Training** is a comprehensive, skill-oriented programme designed for individuals who wish to build a professional career in the beauty and nail industry. The course provides extensive practical training in modern nail art techniques, nail extensions, gel and acrylic applications, manicure procedures, and creative nail designs.

Learners will receive hands-on experience using professional nail products, tools, and equipment while mastering the latest trends and international nail art techniques. The curriculum emphasizes practical learning, creativity, hygiene standards, and client handling skills to prepare learners for employment as well as self-employment opportunities in the beauty industry.

COURSE OBJECTIVES

- To provide comprehensive practical training in professional nail art techniques.
 - To develop expertise in gel and acrylic nail extension systems.
 - To build creative skills in modern nail designing and decorative techniques.
 - To train learners in manicure, nail preparation, maintenance, refilling, and removal procedures.
 - To familiarize learners with professional salon hygiene, safety, and client consultation practices.
 - To prepare students for employment in salons, beauty studios, and entrepreneurial ventures.
-
